About IDE

The **Indonesia Drone Expo (IDE)** is the premier gathering for drone technology enthusiasts, industry leaders, and innovators to explore the future of unmanned aerial systems. Covering applications from agriculture, logistics, and infrastructure to surveillance, emergency response, and environmental monitoring, the expo provides a comprehensive platform to witness the full potential of drone technology. Attendees can experience interactive demos, cutting-edge product displays, and in-depth discussions on regulations, safety, and advancements driving this high-growth sector forward.
